

## Conference evaluation

After the conference we have put up a short question-form on the web side [www.vitamins.cz](http://www.vitamins.cz) and asked the participants to fill it in. 70 people have sent us their opinion

Evaluation of the answers:

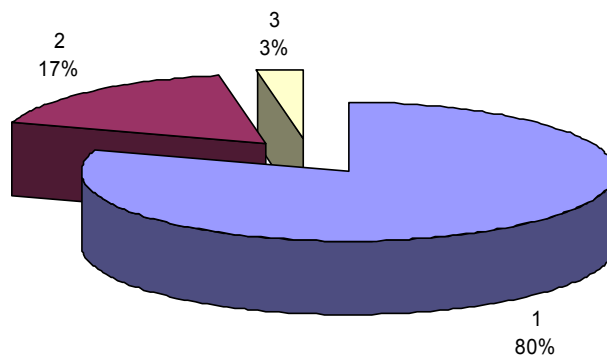

### 1. The scientific level of the lecture

Method of valuation: 1 - 5; 1 - the best. **Average grade: 1,67**

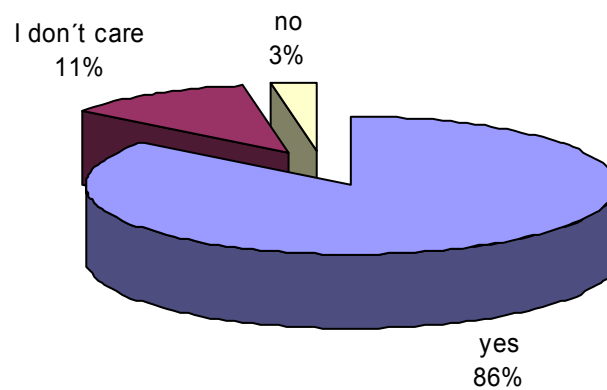

### 2. Level of organization

Method of valuation: 1 - 5; 1 - the best. **Average grade: 1,23**

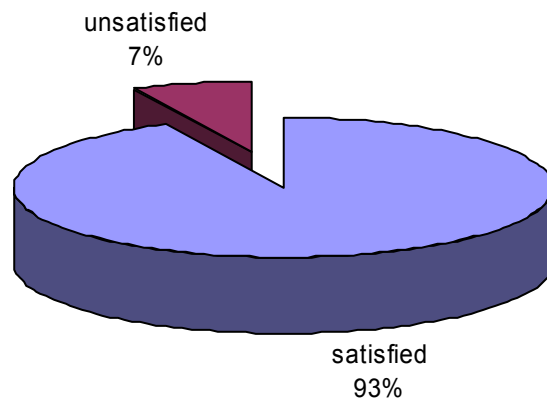

### 3. Social programme

If the participants have enjoyed the opportunity of participating on trips during the conference. Answers: yes, no, I don't care

### 4. Accommodation

Satisfaction with the quality of the accommodation, answers: satisfied, unsatisfied
